

NEW YORK CAMPAIGN IS ENDED

ALMOST REVIVED KLU KLUX

CAMP NEMO (Reelfoot Lake, Tenn.), Oct. 31.—No military detachments went out today in search of night rider suspects or witnesses, and but one prisoner was brought in by the civil officials. Governor Patterson had a number of suspects and witnesses before him today, among them Frank Ferriner, who made a confession several days ago. The weeding out of prisoners has begun early and thirty-five men who have been able to give satisfactory accounts of themselves were released today.

UNION CITY (Tenn.), Oct. 31.—It is reported today, on what is considered good authority, that the constitution and by-laws of the night riders were procured yesterday and will be placed in the hands of the grand jury.

The constitution and by-laws, among many other things, it is said, provide that no bank or trust company will be permitted to make any loans, large or small, for a greater rate of interest than 6 per cent; and, further, after July 1, 1909, no farmer will be allowed to employ any colored help on his farms, and that all negroes will be notified to leave the country under penalty of death; that all merchants shall sell their goods and merchandise not to exceed 10 per cent profit, and otherwise regulating wages to be paid by the farmer for help and regulating the price of all farm products.

The by-laws show that the organization comprises not only the night riders of Obion county, but includes all night rider organizations over the entire country.

ENGLISH SHIP MISSING.

LONDON, Oct. 31.—Wreckage picked up in the North sea confirms the fears that the steamer Yarmouth foundered two days ago while crossing from the Hook of Holland to Harwich. REGISTRATION FRAUDS.

JERSEY CITY (N. Y.), Oct. 31.—The alleged discovery of wholesale registration frauds here has caused a sensation and each party is blaming the others for frauds. Chief of Police Monahan, who has had men investigating the poll lists, states that there are at least a thousand false registrations in the lower wards of the city. Many names are found registered from canal boats that do not exist and many false names have been registered from lodging houses.

A CARPENTER FALLS HEIR TO RICH ESTATE

ELY, Oct. 31.—O. E. O'Hara, an East Ely carpenter, is one of the heirs to a \$200,000,000 estate, according to news received here today. O'Hara says he will stick to his trade and not assume the easy life of the millionaire when he receives his part of the money.

The news comes as the culmination of a romance that started in Ireland more than 100 years ago. Patrick O'Hara came to this country against the wishes of his father, who had decided on a priesthood for him. When the father died his immense wealth reverted to the charge of a maiden aunt, and at the death of the latter, went to Patrick O'Hara, who refused to take possession. His son, Henry, followed his father's wishes and kept his hands off the estate. When Henry died in Canada not long ago, at the age of 94 years, proof of the estate passed into the hands of his heirs, of which there are said to be 100. O. E. O'Hara of Ely being one of them.

Republicans Claim State

(By Associated Press.)

ROCHESTER (N. Y.), Oct. 31.—After a week's campaigning in New York City and state, which ended here tonight with a duplicate of the rousing demonstrations he has inspired wherever he went, William H. Taft, in a statement given the Associated Press, declared the Democratic majority of the city of New York will probably not exceed 70,000 votes. This will be overcome by a Republican vote above the Bronx of such overwhelming force as to give the Republican ticket of the Empire state a clear Republican majority of from 100,000 upwards.

This view of the candidate has been reflected in each of the ten speeches made today. After the meeting Taft left on a special train for Buffalo, where he will spend Sunday with Mrs. Taft. Monday he will return to Ohio, where he will speak at Cleveland at noon and Youngstown in the evening, going from there direct to Cincinnati.

SECRETARY ROOT THE ORATOR.

NEW YORK, Oct. 31.—With Secretary of State Root the chief orator, the Republican speaking campaign for the national ticket was practically brought to a close tonight in a rousing rally at Durland's Riding academy. The secretary described what he maintained to be the manifold dangers with which Bryan's election would menace the country.

AN ENORMOUS PARADE.

NEW YORK, Oct. 31.—Darkness had fallen tonight before the end of the giant Republican parade which began at 10 this morning filed by the reviewing stand up town and disbanded, passing into history as the greatest of its kind ever held in any city. Beginning as a daylight demonstration in honor of Taft and Sherman, it came to a close as a torchlight procession. It took seven hours and fifteen minutes for the army to pass before the reviewing stand.

BOTH SIDES ARE CLAIMING THE VICTORY

TOPEKA (Kas.), Oct. 31.—William J. Bryan will close a memorable campaign by making several speeches in this state Monday, and then hurry home by special train to vote. The Republicans claim Taft will carry the state by a plurality of 30,000, and the Democrats declare their candidate will receive a plurality of 24,000 in Kansas and that the entire Democratic state ticket will be elected.

OREGON REPUBLICAN.

PORTLAND, Oct. 31.—The campaign in Oregon closed tonight with rallies of both the dominant parties in nearly all the principal cities and towns of the state. Oregon, normally Republican, will doubtless return four Taft electors.

WASHINGTON ALL RIGHT.

SEATTLE, Oct. 31.—Chairman De Bruler of the Republican state committee, predicts the election of the entire Republican ticket by 30,000 majority. George White, chairman of the Democratic state committee, forecasts a majority in the state for Bryan of not less than 10,000.

COLORADO DOUBTFUL.

DENVER, Oct. 31.—Colorado is properly classed as a doubtful state in forecasting election results. Republican Chairman Vivian and Democratic Chairman Ward both claim the state for their tickets by between 15,000 to 20,000.

NEVADA DISPUTED.

RENO, Oct. 31.—Judge Somers, the chairman of the Democratic state committee, said tonight the Democrats will carry the state by not less than 4100 majority. Chairman Humphreys of the Re-

publican committee issued a statement in which he stated it his belief that Taft will carry the state by over 2000. The Independence and Socialist parties will poll about 4000 and nearly all are drawn from the Democrats.

UTAH FOR TAFT.

SALT LAKE, Oct. 31.—A majority of 15,000 for Taft and the election of a complete state ticket is forecasted in an authorized statement from Republican headquarters tonight. At the state Democratic headquarters pluralities of 5500 for Bryan, and 8000 for the state ticket are claimed.

These bulletins will be posted in and distributed through all passenger cars and sleepers of every through train over the entire road. The plan provides for special telegraphic service through agents, and the figures will be given to conductors at every stopping point.

LAND FRAUD CONVICTIONS.

PORTLAND (Ore.), Oct. 31.—Dr. J. H. Hedderly, William H. Smith and Richard D. Hynes, three of the defendants in the so-called Los Angeles land fraud cases, were convicted by a jury in the United States district court this evening. Lee R. Meyer and Jeremiah Huntley were acquitted.

NEBRASKA IS LISTED DOUBTFUL

LINCOLN (Neb.), Oct. 31.—Both Democratic and Republican state committees have virtually closed the campaign in Nebraska, and both are confident of carrying the state. The Republicans are more sanguine than two weeks ago, when they admitted they had a hard fight on their hands. Chairman Allen of the Democratic committee is confident that his brother-in-law, William J. Bryan, will carry the state.

It is generally conceded that the farmer vote will go to Taft, and that Bryan will make great gains in the cities and towns. Ninety-five per cent of the labor vote is claimed by the Democrats.

Bryan Was Among the Hoosiers

(By Associated Press.)

CHICAGO, Oct. 31.—"This has been one of the greatest days I have experienced in my campaign," remarked William J. Bryan as he stepped from a special train tonight at Ingleside after a full day in Indiana. Crowds of mammoth proportions and unlimited cheering were tributes of the Hoosier state to the Democratic candidate.

Practically ending up his campaign today, Bryan entered into the spirit of the occasion with great earnestness and intensity. He made attacks on Messrs. Rockefeller, Carnegie, Harriman, President Roosevelt and Taft. In all twenty-four speeches were delivered. At Richmond Bryan was handed a list of 802 Republicans pledging their support to him. By the breaking down of the engine of Bryan's special at Macy, Indiana, his arrival at Chicago, which was intended for this evening, when a monster demonstration was planned, was delayed. He will remain here until tomorrow afternoon when he will proceed to Kansas.

Tragic Suicide of Geo. De Vere at Goldfield

George De Vere, a big "gun man," well known in and about Goldfield, and by many people of Tonopah, made an attempt to commit suicide at Goldfield Saturday afternoon, and at the time that the information reached this office, 11 o'clock Saturday evening, his life was rapidly ebbing away.

De Vere, up to about six weeks ago, had been for some time the watchman in the Casey hotel. He had also acted as deputy sheriff at various times in Goldfield, and in Denver, whence he came to Nevada, he was for many years one of the star members of the police force of that city. In Goldfield he won some notoriety not long since as one of the leaders of the posse which broke up and arrested the amalgam-stealing clique at the Nevada-Goldfield mill.

He was a man of magnificent physique and did not know the meaning of fear. This latter statement is proved by the manner of his death.

De Vere had been out of employment for some weeks, and this seemed to prey on his mind. Saturday

he had been drinking quite heavily and late in the afternoon he started for his rooming place, after the remark, "I'm going to cash in."

De Vere was rooming with Clarence Sage, the chief detective of the Consolidated, and when he arrived at the room he secured his revolver, saw it was ready for execution, and then placed the weapon to his forehead. One of Sage's friends was in the room, and noting De Vere's action, knocked the gun up so that the bullet went through the roof, and grappled with De Vere. The latter, however, easily beat down and plied his friend with his other arm and hand, and again raised the gun and fired, splattering brains and blood over the room and in the face of the man who was trying to save him from his rash act.

A man of ordinary physique would have instantly succumbed to the awful wound made by the bullet, but at 11 o'clock, De Vere, while unconscious, was still alive. He will not be alive by the time the Bonanza reaches its readers this morning.
